Ocean Crest is inspired by nature's upward journey—from the shoreline to open skies and elevated terrain. Each plank captures the rhythm of the coast, the glow of morning light, and the softness of wind-shaped landscapes. Crafted with the warm, cushioned comfort of WPC, Ocean Crest delivers a quieter underfoot feel with waterproof durability and authentic woodgrain texture. Its soothing palette and refined detail create interiors that feel open, balanced, and effortlessly calming—where elevated comfort meets timeless, coastal-inspired design.
